His Highness,
The President of the United Arab Emirates,
Sheikh Zaid Bin Sultan al-Nahayan,
ABU DHABI.

Your Highness,

In June, 1975, His Excellency the President of Kenya, Mzee Jomo Kenyatta, asked through his Ministry of Health that Mr. Michael Wood of the African Medical and Research Foundation should visit the United Arab Emirates to discuss with your Government a medical project in Kenya. This he did and gave the project to your Minister of Foreign Affairs, His Excellency Sayyed Ahmed Khalifa al Suweidi and discussed it with him. Mr. Wood was asked to produce the full details of the project which he has given to your Government.

I would like you to know that this project, known as the Kibwezi Rural District Health Scheme, has the full support of the Kenya Government and, in fact, sponsored by the Ministry of Health of the Kenya Government.

I respectfully respectfully request that your Government will agree to finance this project, amounting to \$ 4,523,400 which will be of great benefit to a large and deserving number of people in Kenya.

I have the honour to be Sir,

Your Excellency's obedient servant,

MWAI KIBAKI
