About **AMREF INTERNATIONAL UNIVERSITY**

Amref International University (AMIU) was established in 2017 as a Premier Pan African University of health sciences fully owned by **Amref Health Africa**. AMIU is founded on the experience and intellect of Amref Health Africa, which is reputed with over 60 years of quality and innovative public and community health interventions in over 30 countries in Africa.

With this work, the need to train health workers in communities was evident and the response was short tenure training courses by the **Amref Training Centre (AITC)** and later the **Directorate of Capacity Building (DCB)**, the predecessor of AMIU. These Amref training programmes run for over 40 years, have produced alumni spread throughout the world who have created the name recognition, reputation and brand that Amref is today. It was then evident that there was a need to train people at higher levels who would influence health policy, regulation and legislation. The University was thus established.

AMIU's focus is on training, research and extension in health sciences with emphasis on promotive, preventive, rehabilitative and palliative health. Its commitment is to progressively develop innovative programmes catering to the present as well as future Africa and global health needs. The University offers postgraduate, undergraduate, higher diploma, diploma, certificate programmes as well as **Continuing Professional Development (CPD)** courses that prepare human resource for health to serve throughout the health system.

AMIU seeks to train transformational leaders who will Inspire Lasting Change.

MESSAGES FROM THE UNIVERSITY

“This graduation is held at a time when humanity is facing the greatest public health problem of our time. The solution is likely to come from science and technology in the health sector. Your work is therefore clearly cut out for you.”

- **H E Mr Festus Mogae, Chancellor, AMIU** -

“It is gratifying to witness transformation from training community-level health service providers for over 40 years to the establishment of a University that trains health workers who will occupy positions that influence policy, regulation and legislation.”

- **Dr Charles Okehalam, Chair, AMIU Board of Trustees** -

“I wish to congratulate all the graduands for having surmounted the challenges posed by the Covid-19 pandemic to complete their learning programmes on time. You are now well trained health professionals who are fully equipped with skills and competencies to navigate the current dynamic health sector.”

- **Jonathan Dutton, Chair, AMIU Council** -

“It is a momentous occasion for the University, as the first cohort of AMIU BSc degree students are among those graduating today. We aim to continue developing market driven curricula for the training of health professionals who will influence health policy, regulation and legislation and inspire lasting change.”

- **Prof Joachim Osur, Vice Chancellor, AMIU** -

KENYA NATIONAL ANTHEM

O God of all creation
Bless this our land and nation
Justice be our shield and defender
May we dwell in unity
Peace and liberty
Plenty be found within our borders.

Let one and all arise
With hearts both strong and true
Service be our earnest endeavour
And our homeland of Kenya
Heritage of splendour
Firm may we stand to defend.

Let all with one accord
In common bond united
Build this our nation together
And the glory of Kenya
The fruit of our labour
Fill every heart with thanksgiving.

EAST AFRICAN COMMUNITY ANTHEM

Ee Mungu twakuomba uilinde
Jumuiya Africa Mashariki
Tuwezeshe kuishi kwa amani
Tutimize na malengo yetu

Jumuiya Yetu sote tuilinde

Tuwajibike tuimarike

Umoja wetu ni nguzo yetu

Idumu Jumuiya yetu.

Uzalendo pia mshikamano
Viwe msingi wa Umoja wetu
Natulinde Uhuru na Amani
Mila zetu na desturi zetu.

Viwandani na hata mashambani
Tufanye kazi sote kwa makini
Tujitoe kwa hali na mali
Tuijenge Jumuiya bora.
